Dear Desmond,

Enclosed the testimonial letter you have asked us to write for your firm.

Tianlong Services first impression was an easy decision to move forward, given the small monthly fees to try.

By engaging them as our bookkeeper has enabled us to focus on our business without having to worry about any administrative filings. We have used Tianlong Services for the past 7 months and satisfied with the services received so far.

Tianlong consultants are knowledgeable, capable and we are very pleased with their services and highly recommend them to anyone needed accounting and bookkeeping services for their business. I would refer any of my friends and/or business associates to Tianlong Services if they are looking to outsource their tax, bookkeeping and accounting.

Sincerely,

Angeline Toh
